Subject: World Indoor Championships 2020 Letterkenny

Dear Representatives,

Last weekend we have opened the links on our TWIF website to enter clubteams for the Open Club Championships for the WC indoor Letterkenny 2020.

Also the accreditation site is open, see link on the website as well. For those who have participated in Castlebar during EC/WC outdoor 2019, you can use the same details on that accreditation if nothing has changed in the meantime. For those who have not participated in Castlebar, you have to fill in all your details at the accreditation. All the old accreditations have been removed due to the new law Privacy & Policy.

Information about the WC Indoor I have send out two weeks ago. Also all the information is on the TWIF website: www.tugofwar-twif.org

If you have any questions, please let me know and apologize that this message was already shared on our TWIF Facebook page before sending out the email to you. This was related to a mistake on my laptop.

Best Regards,

Maike Hornstra
TWIF Secretary General
